

Woodland Manager / Consultant

Cotswolds Office

Oakbank Game & Conservation Ltd is looking to recruit a woodland manager / consultant to its expanding consultancy team. Based in the Cotswolds at our Chipping Norton office, the successful candidate will join a dynamic team of consultants delivering all aspects of high-quality woodland and tree asset management across Mid and Southern England.

Oakbank was established in 2005 and is now a very well-respected name in farmland conservation and woodland management, with a large client base of farms and sporting estates across the UK and into Europe. See website for more details: www.oakbankgc.co.uk

Oakbank also delivers tailored Mid and Higher Tier Countryside Stewardship Schemes across the UK, as well as supplying seed and advice to deliver successful game covers and conservation crops.

We are looking for someone with a real passion for the countryside, for woodland and for conservation as well as an understanding of the role that shooting plays within this. You must be a good communicator and self-motivated, with a practical knowledge of woodland and tree asset management.

Candidates should hold a silvicultural qualification and be members of the Institute of Chartered Foresters or working towards Chartered status. Arboricultural qualifications and management experience are also desirable.

You might be a recent forestry graduate looking to forge a fulfilling professional career, or a longer term experienced and qualified woodland consultant wishing for new challenges on beautiful estates in this magnificent part of England. If this opportunity to work with a professional, client focused, progressive and friendly company excites you or you have any questions about the role, then please phone or send your CV and covering letter to Oakbank Woodland Division Manager;
